La *Liscia* è un antico gioco invernale, precursore del bob. Su una pista di neve ghiacciata, preparata accuratamente nelle vie della città, si scivola a cavalcioni della *scarannina*, un piccolo seggiolino in legno.

Il *Saltarello* si gioca tracciando col gesso una figura con sette caselle e tirando a turno un sassolino in una casella. Vince chi riprende il sassolino saltando attraverso tutte le caselle su un piede solo e senza montare sulle righe.

*Liscia* is an old winter game, forerunner of bobsleighbing. On a carefully prepared frozen snow track in the city streets, one sits astride a little wooden seat called *scarannina* and slides down.

The game *Saltarello* is played by drawing with a chalk a special design on the road and throwing a pebble, in turns, into one of the seven boxes. The winner is the one who hops over all the boxes without touching the lines and retrieves the pebble.

**REPUBBLICA DI SAN MARINO**

Le grandi industrie  
automobilistiche.

Fondata nel 1899 dal pioniere dell'ingegneria automobilistica August Horch, Audi esprime ancora oggi il suo spirito innovatore creando auto sempre più leggere, più resistenti e più attente all'ambiente.

I modelli Audi, dai più classici ai più sportivi, coniugano la grande potenza nelle prestazioni con un design dinamico ma non aggressivo. Nei suoi primi 100 anni di vita, Audi ha caratterizzato in modo decisivo il corso dello sviluppo dell'automobile, ma non si ferma qui. Va oltre perché, da sempre, Audi è all'avanguardia della tecnica.

**Partecipando al concorso oggi, puoi vincere un'Audi A3 domani.**  
Spedisci questo coupon all'Azienda Autonoma di Stato Filatelica e Numismatica, Casella Postale 1 - 47890 Repubblica di San Marino, entro il 31 luglio 2000: in ottobre parteciperai all'estrazione di un'Audi A3 che verrà consegnata al vincitore entro la primavera del 2001.
