OSCAR Wilde 1854-1900

Experience is the name everyone gives to their mistakes.

It is perfectly monstrous the way people go about nowadays saying things against me, behind one's back, that are absolutely and entirely true.

Only dull people are brilliant at breakfast.

I can resist anything except temptation.

I never travel without my diary. One should always have something sensational to read in the train.

Irish novelist, playwright, poet, critic, scholar and wit.
