PACCHI POSTALI

1972 - Corno di posta nella metà di sinistra - Dicitura sul margine inferiore:
L.P.S. - OFF. CARTE VALORI - ROMA - Dest. 12% x 13%

Questi francobolli, di cui si è avuta notizia soltanto nel 1973, sono gli stessi contrassegnati con i numeri 75 e 76 ai quali è stata aggiunta la dicitura sul margine inferiore nel corso di una ristampa, senza una esplicita autorizzazione dell'Amministrazione Postale. Le ulteriori ristampe dei valori della serie dal N. 72 al N. 90 dovrebbero pertanto essere eseguite senza questa dicitura.
