Hinweis für die Sammler
Von der Postwertzeichenstelle und am Passchalter werden diese Marken ausschließlich mit Rubbelfarbe verkauft. Sammler, welche die Marken unverändert belassen, bei weiteren Exemplaren die Rubbelfarbe aber entfernen möchten, hätten daher zusätzliche Marken zu kaufen.

Entgegenkommen
Sehr viele Kunden der Postwertzeichenstelle sammeln die Briefmarken des Fürstentums Liechtenstein.

L'attention des collectionneurs
Ces timbres sont vendus uniquement avec de la couleur à gratter par le Service philatélique ainsi qu'aux guichets de la poste. Les collectionneurs qui conservent leurs timbres dans leur état d'origine, mais qui aimeraient enlever la partie à gratter sur d'autres exemplaires, se verraient donc obligés d'acheter des timbres supplémentaires.

A nos fidèles clients
De nombreux clients du Service philatélique collectionnent les timbres de la principauté de Liechtenstein depuis des années, voire depuis des décennies. Nous saisissons cette occasion pour témoigner notre reconnaissance et remercier les fidèles collectionneurs.

Tous les clients recevront donc ci-inclus gratuitement la série de timbres neuve et oblitérée.

Nous aimerions ainsi vous remercier pour votre fidélité. Tout en souhaitant que vous ayez toujours autant de plaisir à découvrir et à collectionner nos timbres.

Ihre Postwertzeichenstelle der Regierung
Le Service philatélique officiel du gouvernement de la principauté du Liechtenstein

stein schon seit längerer Zeit, welche sogar seit Jahrzehnten. Unsere treuen Sammler sollen bei dieser Gelegenheit nun einmal Dank und Anerkennung finden.

Alle Kunden erhalten daher die beiliegende postfrische und gestempelte Marken-Serie kostenlos.

Damit möchten wir uns für Ihre stete Treue bedanken und Ihnen an den Liechtensteiner Briefmarken weiterhin viel Freude wünschen.

A device for collectors
These stamps are sold exclusively with coloured rub-on images by the Official Philatelic Service and at post office counters. Collectors who want to leave the stamps unaltered, but would also like to remove the coloured surface on additional sets of stamps, should therefore purchase additional stamps.

Concession
A great number of customers of the Official Philatelic Service have already been collecting the stamps of the Principality of Liechtenstein for a very long time, and quite a few even for decades. This now gives us an opportunity to thank and reward our loyal collectors.

All customers are therefore being sent the enclosed mint and postmarked set of stamps free of charge.

This is our way of thanking you for your constant loyalty and wishing you continuing pleasure in collecting the stamps of Liechtenstein.

Una cortesia
Moltissimi clienti del Servizio Filatelico collezionano i francobolli del Principato del Liechtenstein già da molto tempo, e parecchi addirittura da decenni. In questa occasione vogliamo esprimere il nostro apprezzamento e la riconoscenza ai nostri fedeli collezionisti.

Tutti i clienti riceveranno dunque gratuitamente la serie di francobolli fresca di stampa e timbrata qui allegata.

Con ciò desideriamo ringraziarvi della vostra fedeltà costante e augurarvi di trovare ancora tanto diletto nei francobolli del Liechtenstein.
