A collection of various postage stamps from different countries, including Lithuania, Monaco, Poland, Romania, Portugal, Russia, Slovenia, Switzerland, Sweden, and the Vatican, displayed on a dark album page. The stamps feature diverse designs, such as abstract art, landscapes, and cultural figures. Some stamps are part of a series, like the 'EUROPA' series from Sweden and the 'CITTA DEL VATICANO' series from the Vatican. The denominations range from 0.60 to 1500. The stamps are arranged in a grid-like fashion on a dark, textured background.
