DON MATIAS PIPET, CORRIENTES.

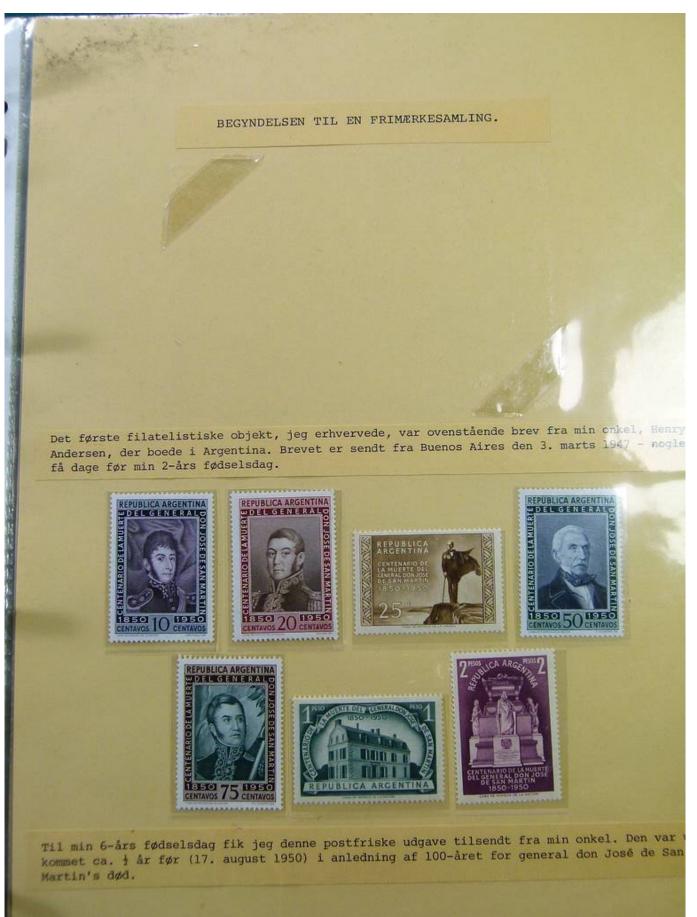

man i 1856 planlagde at udgive frimærker i Corrientes, havde man problemer med at finde én, kunne fremstille gravuren til disse. Det viste sig, at en bager i byen, Don Matias Pipet, var indvandret fra Europa, var uddannet og havde virket som kobberstikker i Italien, Frang og Katalonien, inden han var emigreret til Argentina.

enaveren af det stedlige trykkeri, "La Imprenta de la Provincia de Corrientes", Don Pablo 1, der var franskfødt, forelagde Don Pipet et eksemplar af det første franske frimærke fotillende gudinden Ceres som motiv for den corrientinske udgave.

Pipet udfærdigede otte gravurer i kobber hver for sig, som derefter blev loddet på en mesplade, der igen blev skruet på en træplade. Denne kliché blev brugt direkte ved trykningen.

#### OVALE ANNULLERINGSSTEMPLER 1892-98.

I perioden fra 1892-98 blev ovale stempler anvendt ved en række postkontorer i flere provinser, samt enkelte til specielle formål: Åbning af postsække, postkassetømning, til transitforsendelser, som jernbanestempel osv. Ialt kendes mellem 25 og 30 forskellige af disse stempler. Alle stemplerne har været brugt sideløbende med almindelige runde stempler til samme formål - de ovale har muligvis været et forsøg. De blev under alle omstændigheder sjældent brugt, og der kendes i dag kun et begrænset antal forsendelser og frimærker annulleret med dette stempel.

lc Bernardino Rivadavia-mærke annulleret med ovalt stempel i SANTA ROSA i provinsen Cordoba. Dette stempel kendes kun anvendt i 1893. Del af stempel udenfor mærket rekonstrueret med vilkårlig dato.

Parstykke 10c og enkeltmærke 80c Manuel Belgrano annulleret med ovale stempler OFICINA ENCOMIENDAS POSTALES (postpakkekontoret) i Buenos Aires. Bogstavet "A" står for "Apertura", som betyder åbning af postsækken. Dette stempel kendes anvendt i perioden 1892-97. Stemplerne er rekonstruerede uden for mærkerne med vilkårlige datoer. 10c mærkerne er afstemplet i 1895, 80c mærket i 1896.
