A collection of various postage stamps and cancellations, including individual stamps, strips, and blocks, arranged on a white background. The stamps feature different designs, colors (purple, green, blue, red, orange), and denominations (10, 5, 20, 100). Some stamps are cancelled with circular postmarks, while others are cancelled with horizontal lines or other markings. The collection includes several strips of stamps, some with multiple stamps per strip, and a few individual stamps. The stamps are arranged in a grid-like fashion, with some cancellations placed below the main collection. The cancellations include circular postmarks with dates like '27-3-1911' and '12-11-1910', and some with handwritten text like 'HAMBURG' and 'EILBET'. The stamps are mostly from the German Reichspost era, as indicated by the 'REICHSPOST' markings on some of the cancellations.
