Centenario del Sello Dentado Español

(SERIE QUE CONMEMORA, COMPLETA Y CLAUSURA EL I CENTENARIO DE SELLOS DENTADOS DE ESPAÑA)

egal y bonrada es la postura y ejecutoría del verdadero coleccionista filatélico, en cuyas filas nos asignamos un lugar. Desde él, y en esta promoción de las Hojas consuetudinarias, catálogo gráfico, que van apareciendo, al directo compás cronológico de las fechas de Primer Día, para conservar los sellos, en sus respectivas series, y el más perfecto archivo, bajo la égida del rector Boletín Oficial del Estado y autorizados Organismos pertinentes.

Ho abandonamos la anterior determinación de facilidad y didáctica, para todos y sín dejación del afecto y aprecio que, cada día más suele obtener este auxiliar de la Historia, Geografía y Arte, y que cualquier sello da, en cualesquiera latitud del universo.

Porqué, el sello al ser víctima de vilipendio, se crece y consigue victorias, incluso tras ser maltratado y matado.

Del anciano o del niño. Obliterado o impoluto. Clasificado en bojas, avalando sobres, postales, tal vez aun más, en Libros y Revistas.

Marca artística testimonio bello, bandera de Creencia y Patria, cronista de esemérides, y del lugar y tiempo, en calidad de diminuto notario.

Salve, Sello Invicto!

Hota: La primera numeración señalada al pie de cada casilla es la propia de los sellos del 2.º Centenario. La segunda, son los números del catálogo Yvert-Tellier.
