How to use your Fun Fruit & Veg Stamps

- 

1. Take one fruit or veg stamp and stick it on the envelope, top right hand corner, please!
- 

2. Choose which bits you want to use to make your face and peel them off.
- 

3. Design a unique work of art by sticking the face parts onto your stamp.
- 

4. All done? Now you are ready to send fruity (or veggy) greetings!

Keep the features to the veg & fruits, avoid the white area and make sure you don't cover the Queen!
