**Depression, Dust Bowl, and a New Deal**

**B**y 1933 the average wage was 60 percent less than in 1929 and unemployment had skyrocketed to 25 percent. Dust storms forced many farmers to give up their land.

Americans escaped harsh realities by playing Monopoly, reading the adventures of "Buck Rogers" and "Flash Gordon," and listening to Hoagy Carmichael's "Swanee" and "Stardust." Popular films included King Kong and It Happened One Night. For the first time, African-American athletes became national idols: Joe Louis in boxing and Jesse Owens in track and field.

Prohibition was repealed in 1933. President Franklin Roosevelt fought the Great Depression with his New Deal programs. The "Star-Spangled Banner" was chosen as the national anthem. The Empire State Building rose above the Manhattan skyline and the Golden Gate Bridge spanned the San Francisco Bay. Back on the ground, the parking meter made its first appearance in 1935.

As the decade closed, many Americans were anxious about the growing war in Europe.

New words: all-star, oops, pizza, racism
