A collection of Bulgarian postage stamps from 1959, arranged in several rows. The stamps feature various themes: labor (workers, harvesters), nature (mushrooms, flowers), and national identity (folk costumes, historical figures). The denominations range from 1 st (stotinka) to 25 st. The stamps are printed in various colors including green, brown, red, blue, and yellow. Some stamps have handwritten notes or markings, such as '124/98' and '30' on a stamp featuring mushrooms. The background is a dark, textured surface.
