A collection of 100 Nicaraguan postage stamps arranged in 10 rows. The stamps feature various designs, including portraits, symbols, and text, with denominations ranging from 1 to 20 centavos. The colors are diverse, including purple, red, orange, yellow, green, and blue. The stamps are arranged in a grid-like pattern, with some rows containing more stamps than others. The denominations are clearly visible on many of the stamps, such as 1, 2, 5, 10, 20, 30, 50, and 100 centavos. The designs include portraits of figures, symbols like the sun and moon, and text in Spanish, including "NICARAGUA", "CORREOS", and "TELEGRAMAS". The stamps are set against a dark background, which makes the colors of the stamps stand out.
