HMS 'Seringapatam': A 46-gunner, under command of Captain W Waldegrave, she carried the first-ever letter from Pitcairn Island. The letter, dated 17 March 1830, was the Captain's own account of his visit to the Island.
The 'Pitcairn': A Missionary schooner built by the Seventh-Day Adventist Society, and launched in 1890 at Benito, California. For ten years she conveyed mails between Pitcairn Island and San Francisco.
RMS 'Athenic': A steamer of 12,434 tons, built in 1901, owned by the White Star Line and Shaw Savill, and for 27 years she operated in the latter's New Zealand service, before serving as a whaling-ship up to 1962.
SS 'Gothic': Built in 1948, she subsequently served as the Royal Yacht during the Queen's Commonwealth tour in 1954. Later she and her sister ship the 'Ceramic', also of the Shaw Savill Line, were regular callers at Pitcairn until 1969.

CHRISTMAS 1979

Pitcairn Islands 35c
The giving of Christmas presents on Pitcairn follows a unique and charming tradition.
During the afternoon presents are taken to the Square where they are hung on trees specially erected for the purpose.
Towards sunset everyone assembles to watch the presents being cut down and the names of the recipients announced. As the number of parcels remaining on the trees diminishes the pile of discarded wrapping paper increases until, as the fourth stamp illustrates, all are distributed and the people return home with their gifts.
